THE LUXURY OF EASE

Arrive in style

Ergonomically designed zero gravity seats, Nappa leather, massage and climate features - step out fresh, no matter how long the journey.

Go further, fearlessly

A world-class all-wheel drive system, engineered by global experts, gives you total traction and tackle city streets, gravel, or desert tracks with confidence.

Comfort in every detail

From personal sunshades and NFC smart card access to refined ambient lighting, every aspect of your J8 is designed for your comfort and convenience.

Your private retreat

Ultra-quiet glass, plush suede and the immersive quality of 14 SONY speakers combine with a built-in fragrance system to make every drive feel exclusive.

Makes every drive smoother

CDC Adaptive suspension reads the road hundreds of times per second to fine-tune every ride for flawless comfort.

Everything in sight

Navigation and all drive essentials are displayed right where you need them - on dual screens and on the augmented reality windshield - so you're always ready for the road ahead.

THE SUPER HYBRID SYSTEM

Charged and ready in 20 Minutes.

The J8 SHS doesn't ask you to change your life for hybrid living. It adapts to yours. Fast charge to 80% in just 20 minutes - enough to fuel weekend plans before lunch

600 horses. Zero compromises.

Conquer any terrain with 600 horsepower of pure hybrid intensity. The J8 SHS combines turbocharged performance with intelligent electric power for 1,300 kilometres of total range.

A powerbank on wheels.

6.6 kW of built-in power can run laptops, tools, camping gear, and appliances. Whether you're working remotely or exploring off-grid, the J8 SHS powers more than just your drive.

Seven modes. One mission: Total control.

EV for urban refinement. Sand, Mud, Snow, and Off-Road for terrain that demands respect. The CDC electromagnetic suspension transforms the J8 SHS from executive transport to weekend explorer in real-time.

Your command center - elevated.

Augmented reality head-up display projects vital information exactly where you need it. 14 SONY speakers deliver concert-hall acoustics, while 50W wireless charging keeps you powered and ready.

Indulge your senses.

Massage seating with heating and ventilation, 64-color ambient lighting, and a fragrance diffusion system transform the cabin into a personal sanctuary. Ultra-quiet glass and the panoramic sunroof flood your journey with light and serenity.

POWER MEETS COMFORT

Go further than you thought possible.

J7's advanced 1.6 TGD engine delivers turbocharged power and precise fuel injection, for faster acceleration, smoother driving, and more Kilometers per tank

Command any road with confidence.

Adventure doesn't wait for the perfect conditions: Switch through seven AWD modes that tame rough terrain or city streets.

Safety that never sleeps.

Surrounded in protective steel, up to 7 airbags, and more than twenty ADAS features, protection isn't an added feature in a J7 - it's part of its identity.

Bask in panoramic light.

Enjoy the serenity and openness of J7's ultra-quiet glass and panoramic sunroof, for a journey as wonderful as any destination.

Luxury in every detail.

Vented and heated leather seats, ambient glow, memory features, and clever storage. Every inch is designed for your comfort so every drive feels first class.

Tech that keeps up with you.

State of the art digital cockpit, SONY audio, and 50W wireless fast-charging mean you stay connected and ready for wherever the road or day takes you.

SUPER HYBRID TECHNOLOGY

Ready to go in 20 minutes

Plug in, power up and get back on the road, fast. The J7 fast-charges from 30-80% in just 20 minutes.

Charges while you drive

Keep going with an engine that recharges your battery as you drive. No stops, no stress.

Choose EV or Hybrid

Glide through the city in full EV mode for up to 90km or go on an adventure with 1200km total hybrid range.

Indulge your senses

A built-in fragrance diffusion system and 14.8" Snapdragon 8155 display transform the cabin into your own personalised luxury lounge.

Panoramic sunroof

Open up to every view. The expansive glass roof floods the cabin with natural light, connecting every journey with the world above.

A powerbank on wheels

Top-up your devices with a 50 W wireless charger while 3.3 kW V2L of built-in power can run laptops, tools, appliances, and more.

COMFORT THAT ELEVATES EVERYDRIVE

Panoramic Sunroof with Ventilated Seats

Feel the open sky above and stay perfectly comfortable with seats that cool or heat as you need.

Dual-zone climate control system

Every passenger gets to enjoy the perfect temperature.

Keep your device powered and protected

The integrated wireless charger delivers fast, reliable charging while its built-in ventilation prevents overheating.

Head-turning premium design

Be prepared to stand out with the J5's waterfall grille and sleek shape.

Immersive 13.2" digital cockpit

Crisp visuals and resolution for a seamless experience.

8-speaker Sony sound system

Immerse yourself in high-quality audio.

STAND OUT. MOVE FORWARD

Performance you can feel.

Turbocharged power and responsive transmission make for a smooth, agile drive every day.

Design that turns heads.

Make it yours. Choose from six exterior colors and two leather interiors - make a statement with your C5.

Comfort in every detail

Intelligent key, power tailgate, and one-button start make daily drives and errands simple from the moment you step up to the car

Enjoy peace of mind.

Blind-spot detection, six airbags, and a 5-star safety rating mean confident journeys for you and your passengers.

Comfort built for real life.

Ultra-quiet glass, ventilated seats, and a power sunroof make even ordinary drives extraordinary.

Take control with high-tech features.

Crisp digital clusters, SONY audio, and wireless charging keep you connected, entertained, and in control.

The New Look of Motion

Bold geometry and clean lines shape a silhouette that speaks. A frameless X-shaped grille and flush door handles create a futuristic presence that plays with shadow and light like fabric in motion.

OMODA 07: THE O-RIGINAL

MOTION MEETS EMOTION

Luxury, Cut to Form

Brown leather and 256-colour ambient lighting shape a cabin defined by intent. A 10-way electric driver seat with lumbar support and dual-zone climate control ensure every journey feels effortless.

Silence, Engineered

Powered by the Qualcomm Snapdragon 8155 chip, the digital cockpit delivers smooth interaction and seamless connectivity, transforming the interior into a modern command centre for a calm, composed drive.

Intelligent by Design

Up to eight airbags, a 540° panoramic camera system, and advanced driver assistance enhance protection and awareness. A 15.6-inch sliding display, wireless smartphone integration, voice control, and a Sony sound system shape a responsive digital cockpit, while LED headlights and Thunderbolt taillights define the O7's signature presence.
